

CENTER FOR LEARNING
Through Rhythm *and* Movement
We are a 501(c)3 Charitable organization

Join us for our monthly Brain Gym Tune-up

From 2 to 4 pm on:

March 21st and April 18th

- Is your child having difficulty with **focus**?
- Is **math, writing** or **reading** hard?
- Does it take two hours to do 30 minutes of **homework**?
- Is **coordination** a challenge?

We are holding a two hour session for children who are struggling in school. If you are tired of seeing C's and D's on tests, we invite you to try our program. We train the brain to function as a whole unit while integrating mind and body coordination in a fun way. Having trouble reading or remembering what you read? We will show you a few basic exercises that will change your life.

We give the kids knowledge to unlock the brain power they already have. A fifteen minute homework assignment can be completed in 15 minutes if your mind is ready to function as designed. After this session, sign up for a free tracking evaluation. From that we can give you a plan to overcome your academic difficulties. We welcome ADD, ADHD and all autistic children.

We are located in the Shelby Martial Arts Academy.
